Dawn to Dusk

Foreword

As another day begins on the Martin College Campus we recall many events that have passed from sight.

We, the Martinaire Staff, hope that this edition will help each of you to remember yesterday — from Dawn to Dusk — at Martin.

PRESIDENT J. FORT FOWLER — B.S., Milligan; B.D., M.A., Vanderbilt University; course work completed for Ph.D., Vanderbilt University.

Martin College has been made possible by people who love youth and by youth who have responded positively to the encouragement of those interested in them. As one considers the theme of the Annual, From Dawn to Dusk, it is hoped that the emphasis will always be on the dawning of a new and more glorious day for Martin. May this college ever be an institution in which inquiring youth will find the challenge and the encouragement necessary for the development of greater intellectual achievements, firmer moral stability, and deeper spiritual commitment.

Draft of the new Science Building to be constructed in the spring and summer of 1959.

RUSTEES

Martin College looks to the future with confidence!

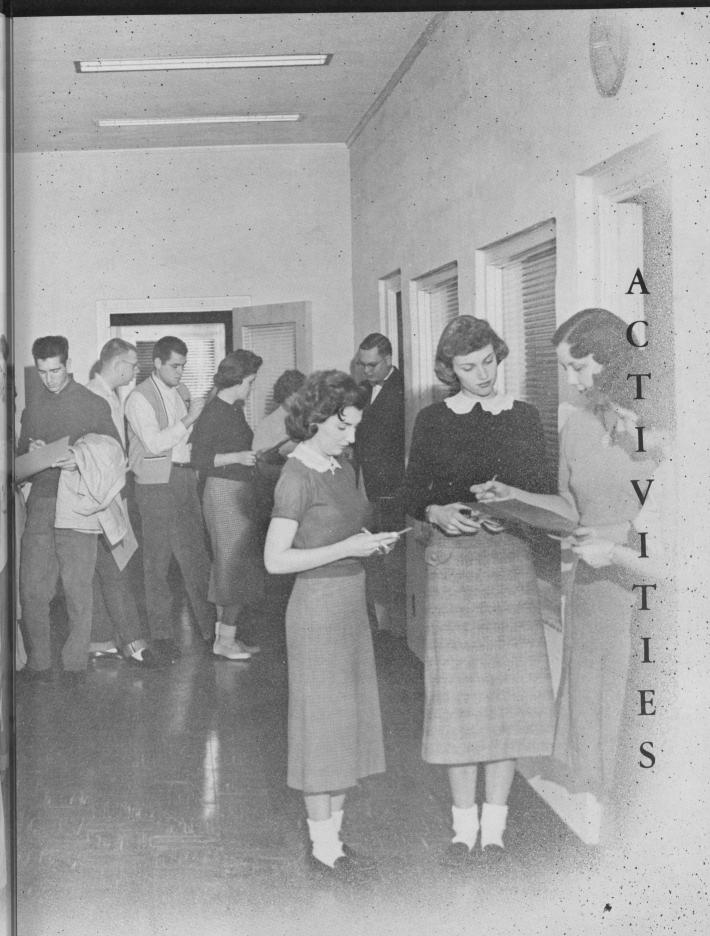

Having successfully completed the Million for Martin Campaign — with more than \$500,000 collected and expecting \$300,000 additional to be collected in 1959 — and with the new Administration Building paid for, contract let for a new Science Building, endowment increased, faculty strengthened, the entire Tennessee Conference now giving its approval and enthusiastic support to the College, and the continued progressive administration by President Fowler, Martin should more than double its enrollment, and should show more growth and improvement, in the next five years than it has in the past eighty.

Chairman W. H. CRISWELL

The Tennessee Conference has arrived at the conclusion that the best days for Martin College are yet ahead. It has sought to express this conviction in definite and concrete ways. With new buildings giving new attractiveness to the campus; with better equipment with which to do an educational task; with new plans for serving its constituency; and with new hopes for the future, Martin moves ahead.

Bishop ROY H. SHORT

Axiom for Physical Education Class: If you properly follow the curve of the ball the proper curves will come to you.

Pertinent information is relayed in Assembly by President Fowler to eager student listeners.

In American Literature everyor siesta time.

Cleopatra, manikin of the Biology Class, may be silent, but because she is colorful and alterable, much an be learned by association with her.

If the Physics instructor can overcome the resistance of the students' minds, he will complete the circuit exemplified by Ohm's Law.

The Library furnishes the books for information and the quiet for concentration.

tent listener, even if it is

In Organic Lab the reaction to the large Co (Fe)2 flask is as interesting to the members of the Coffee Club as the DDT reaction in the condenser.

Look, Mr. Boyd, one of these girls paid cash for a Western

Civ book!

From the pensed in of our co

Floor polishing and maintenance is a neverending job.

What are we having for lunch today Bar-B-Q, slaw,Please, Suzie just one little sample. I'm so hungry

Let's check the mailbox and have a coke.

Fire drills must be......fire may strike when we least expect it.

Let's go, gang, and make this thest Homecoming parade ever!

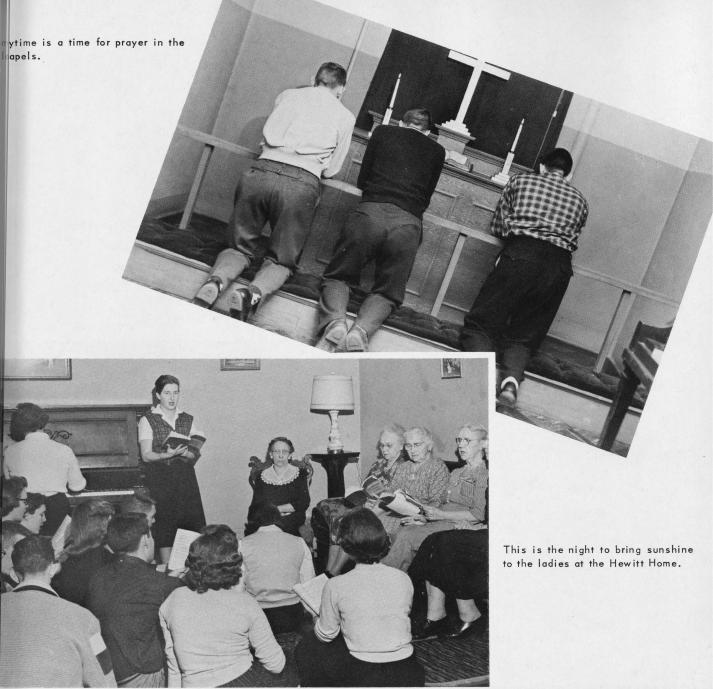

his might be one of the labs — or it the basement — can you tell om the blueprint?

Bull sessions in the Boys' Dorm clude such intellectual topics: girls, sports, and Einstein.

Participation in Vespers is a feaure of dormitory life.

The President's Reception, teas, dances, and banquets helped to make our days at Martin full of interest, pleasure, and accomplishment.

In closing this section on activities we must mention a few not pictured in order to complete our catalog of memories: The Clapp Lectures delivered by Dr. J. Robert Nelson were challenging to all; Twelfth Night, the duo-pianists and the dance team presented by the Pulaski Concert Association will not be forgotten soon; Loose Ankles, presented by our own Dramatics Club, had many hours of hard work behind it; Career Day helped us all to crystallize our ideas for the future; May Day and Alumni Day combined proved to be the best ever; the Florence Concerts brought us cultural opportunities never before available; and the sharing of Peabody musical talent likewise added to our interest and enjoyment.

The Ministerial Association is an interdenominational organization composed of all students who plan to be ministers. It is concerned primarily with the evaluations and application of classroom theory in the service of the church. Meetings are held in the form of group discussions, group study and lectures by selected guest ministers on particular areas of interest.

Ministrial Association

Christian Service Club

The Christian Service Club includes young men and women interested in churchrelated, Christian vocations. Programs are planned to acquaint the students with needs, opportunities, and requirements of various types of Christian service.

ALMA MATER

Let us greet our dear old College
With a hearty cheer!
For our hearts are ever loyal,
Alma Mater dear.
We're the students of old Martin,
College old and dear,
With our faces all set onward,
Voices ringing clear.

Broad the fields about us lying,
Soft and blue the sky;
Sing, O sing aloud her praises,
Raise the flag on high.
Tho our bonds can ne'er be broken
Sealed by friendship's tie,
Our true hearts will ever cherish
Memories gone by.
